That's an awesome meme, and it's just reality.. the media lies, spins, throws around words that don't fit the actual situation, but as our ppl get dumber, China's ppl are getting smarter.. it's just a fact.. why are they dumbing down American society?! Don't ppl think anymore?

A blue cartoon character, Stitch, is shown from the chest up. He has large, expressive eyes and is looking directly at the viewer. A large white play button icon is centered over his face. To his left, there are three yellow four-pointed stars of varying sizes. Below him, there are several short, vertical black lines, suggesting movement or a vibration effect. The entire image is set against a plain white background.

A photograph of a single lit candle. The candle is yellow and has a bright flame at the top. It is set against a dark, textured background, possibly a wall or a piece of fabric. The lighting is dim, with the primary light source being the candle itself, creating a warm and intimate atmosphere.

A close-up, low-angle shot of a lit incense burner. The burner is made of a dark, polished metal, possibly brass or bronze, and has a tiered, cylindrical design. A small flame is visible at the base of the burner, and a wisp of smoke or incense is rising from it. The background is dark and out of focus. A large, semi-transparent play button icon is overlaid in the center of the image. In the bottom left corner, the word "GIF" is written in white capital letters. Below the image, there are three icons: a speech bubble, a retweet icon, and a heart icon. The retweet icon has the number "1" next to it, and the heart icon has the number "3" next to it. Below these icons, the text "You Retweeted" is visible.

The image shows a close-up of the top portion of the official seal of the United States Department of Veterans Affairs. The seal is circular and features a metallic, embossed design. The words "DEPARTMENT OF VETERANS AFFAIRS" are inscribed around the top inner edge of the seal. Below this, the words "CODE OF VETS" are prominently displayed in a larger, bold, sans-serif font. The bottom half of the seal depicts a stylized American flag, with the stars and stripes rendered in a three-dimensional, embossed style. The colors are a deep red for the stripes and a dark blue for the field of stars. The overall appearance is that of a high-quality, official emblem.
